Portable Automatic Signal Test Results Prove Signal Need At Busy Crossing

Campbell high school and grammar school students cooperated immediately with local and county officials when the portable electric traffic signal went into operation Friday at the Winchester-Campbell Avenue crossing.

Supervisor Joseph M. McKinnon of the Fourth County District was instrumental in obtaining the new signal which is operated during pre-school morning hours, at noon and at the close of school to assure smooth flow of traffic and pedestrians at the busy intersection.

Prior to the signal installation, the 2500 youngsters using the crossing during the day frequently caused busy highway and business district traffic to back up for blocks. On the first day of its use, the signal received full cooperation of youngsters and motorists, and officials reported traffic flow was "perfect".

The signal will be retained at the intersection for an indefinite period, since it is now on probationary allocation to this community. Final approval is up to the County Board of Supervisors.

Service Arrangement

School personnel will adjust operation of the signal and wheel it to its storage location when it is not in use. Jones Service Station has agreed to service the signal and keep the batteries charged. The automatic signal can be adjusted for regular red, green, amber alternating lights, red flicker, amber flicker or other signal

School officials have expressed appreciation for McKinnon's cooperation in obtaining the signal which has long been needed at the crossing.

Portable Traffic Signals, Inc., of Sacramento, is the distributor for "Mechanical-Cop", and the president, Howard D. Stockley, was on hand in Campbell Friday to witness effect of the signal on the traffic congestion. L. J. McReynolds, contractor, San Jose, is the local agent for the signal concern.

Portable Unit

The "Mechanical-Cop", completely portable, can be moved by anyone. Its 4-inch wheels are retractable. The electrically operated self contained unit requires no extension wiring or conduits. Arrangement of colors and lighting sequence on four sides is in accord-

Paint Development Traced In Film Shown Rotarians

H. B. Hamm of the U. S. Gypsum Company, exhibited a color film on the development of paint, at the Campbell Rotary Club gathering Monday noon. Homer Hyde was chairman for the day. Bob Saia was the student guest.

The film pointed up use of eggs as emulsifying agents in combining oil and water. Hamm told Rotarians his company has developed an emulsifying agent to replace the egg, in producing their new oil base paint using a water thinner. The paint is Texolite.

Campbellite Heads For Alaska With Big Cement Truck

When Fred Rancour of 820 S. San Tomas Road, Campbell, set out early this week for a trip up the Alcan Highway, he wasn't heading for a vacation. Rancour is driving a huge Permanente Cement Company semi-trailer leoded with bulk cement. The load from the Monte Vista plant is destined for the Permanente bulk distribution plant at Anchorage, Alaska, the Santa Clara County plant reported this week.

Length of time for the trip depends upon weather and road conditions. Rancour may encounter snow on the northern leg of his journey. One of the Permante Company truckers, hauling a similar load last year, made the trip north in 13 days.

Rancour expects to fly back to this country after delivering his load.

Water Tank Gets Coat Of Paint On Interior Surface

If your water has a slight flavor this week, don't worry about it. The taste, if any, is a result of the painting job done last week on the interior of the Campbell Water Company's 500,000-gallon water tank on First street.

The water company has announced that for a short time there will be a slight flavor to the water; however, the water tests pure and the painting was done to preserve the tank.

It is necessary to paint tank interiors every 6 to 12 years, depending upon the mineral content of the water. The First street tank was installed in 1948.

SHUEY RESIGNS SCHOOL POST

William A. Shuey, principal of San Tomas Elementary School, has submitted his resignation and has accepted a position as an elementary school principal with the Mount Diablo Unified School District in Contra Costa County, District Superintendent William C. Henley stated this week. Central part of the district which includes 14 schools, is Concord.

Shuey has been with the Campbell district for four years. His new superintendent, for the Mt. Diablo District, will be James Dent, who was Campbell High School District superintendent before the incumbent, Laurance J. Hill.

Henley said he has reached no decision on Shuey's successor. The principal's resignation was expected to be considered by the board of trustees at their meeting last night, together with several other resignations.

Trustees were also expected to pass an official resolution calling for the special school district tax increase election June 12 to raise funds for teacher salary raises.

VISITING NEWSMAN SEES NEED FOR ARMED FORCES BUILDUP IN EUROPE

Strengthening of U. S. and allied forces in Europe was described as vital to the future of the continent and U. S. interests there by William Minehart, former Berlin, Germany, correspondent for American Forces Network in an interview here yesterday. Minehart, son of the county supervisors of a substantial portion of the township to be resigned his correspondent's job with AFN, charging news suppression, and has accepted a position with the Associated Press in Denver, Colorado. The newsman will be in Campbell for a week's stay before going on to Denver.

U. S. forces in Europe must be built up he said, because of the importance of Europe's industrial might. A good share of that industry is located in the Ruhr and the Saar basin. "Every little village in Germany has a smokestack," Minehart commented, "which indicates an industry of some sort."

Minehart said he resigned his AFN job because of interference from the civilian chief of operations. He had completed his first year and had a contract for its extension. Three months before his resignation, "they started doing monkey business about what I could and couldn't use" and in my news broadcasts. "The colonel in charge of the INE would tell me to cut things because they didn't sound too good over the air —but they looked alright a couple of days later in the Starts and Stripes."

The civilian chief of operations for the AFN frequently argued with the newsmen over minor points of semantics and newsplay, although he had no previous experience in journalism. Experienced newsmen had no voice in the operation of the network, said Minehart.

Eventually the news control developed to the point where reports of foreign policy statements and stateside news were suppressed on grounds this news showed dissenion in the United States.

News Story Brings Letup

After Minehart resigned, there was no immediate change in this policy, but later, when his statements were picked up by the press in the states, there was a change for the better, and the controls were eased. Newsmen there still complain about being involved in the semantics arguments again, and Minehart said he thinks the trouble is largely that of an inexperienced department head attempting to assert authority.

The Campbell man used to broadcast news over the AFN, the U. S. Army's radio broadcasting system for American troops and other U. S. listeners in Europe, six nights a week. Half of his broadcast time was required to concern such military items as reports of promotions in the enlisted ranks, who had donated how much to the German Youth group fund (an organization to de-Nazify German youth), and other minor stories thus cutting down the period in which he could broadcast important political news.

Quizzed on his views about developments in Germany since the war, Minehart said the Voice of

25th Anniversary Celebrated By Kiwanis Club

A capacity gathering particity-fifth anniversary observance of pated Tuesday evening ni the twenthe Campbell Kiwanis Club, with visiting dignitaries and wives of members joing in the gala dinner event. Dean James C. DeVoss of San Jose State College, gave the principal address on "Then and Now", and Alvin Long served as chairman of the evening. Both men participated in the institution of the Campbell club 25 years ago as members of the sponsoring San Jose Kiwanis Club.

Rev. Lawrence Osborne of the Campbell Methodist Church offered vocal solos, including "Time, You Gypsy Man" by Remick; "The Pool of Quietness" by Cator, and "Take Joy Home" by Bassett. He was accompanied by Irma Sanders at the piano.

Guests of honor at the gathering in the Campbell library building were five of the six charter members of the Campbell club who still retain their membership in the group, and the wives of four others: E. R. Kennedy, Carl B. Field, Guy E. Farley, Ralph H. Hyde, Mark E. Purmort and Mesdames Wendell Thomas, Ira Abott, Harry Smith and S. N. Hedegard.

Resolution Curtails Community's Future Self-Government Plans; May Hit Municipal Court Map

City of Santa Clara trustees adopted resolutions Monday night to annex some 25 miles of roads and highways in this section of the county, an action which vitally affects the future of Campbell, and may throw out Campbell's recent success in obtaining recognition by the county supervisors of a substantial portion of this twonship to be included in a court district for Los Gatos, Campbell and Saratoga.

Ostensibly for the purpose of preventing encirclement by the City of San Jose, the Santa Clara move would split Campbell on an east-west line along Hamilton Avenue from San Jose-Los Gatos Road to Winchester Road, and on a north-south line from Hamilton Avenue north to Stevens Creek Road.

By adopting a resolution to annex the roads and highways only, Santa Clara City Attorney Robley Morgan claims an annexation election is not required since the roads are uninhabited.

Morgan told the Campbell Press that under "The Annexation of Unihabited Territory Act of 1939" procedure is as follows: adoption of the resolution calling for the annexation, held of hearing on the resolution, for which date is set in the resolution, in this case June 4, and presentation of the ordinance to the trustees for adoption, either at the hearing or afterward. Following adoption, the ordinance usually covers about a two-month period. Government code sections covered by the act are those of 35,300 to 35,325.

While this appears to be just another move in the San Jose-Santa Clara expansion dispute, the incorporated communities in this Santa Clara resolution affects unwest valley section and would obviously halt San Jose expansion on the west side since the city could not annex territory which was not contigous—being separated from San Jose by a Santa Clara-annexed road.

Any further plan of Campbell citizens to incorporate, would be controlled by the Santa Clara-annexed roads which would split and would both bind the community.

RESOLUTIONS

Annexation resolutions adopted by the Santa Clara trustees are as follows: Westside Annexation No. 1—Santa Clara-Alviso Road to Bayshore Highway; Bayshore Highway west to Lawrence Road; Lawrence Road south to Stevens Creek; Stevens Creek Road to Santa Clara-Los Gatos Road; Santa Clara-Los Gatos to Hamilton Avenue, nd San Jose-Los Gatos Road to Los Gatos city limits.

Westside Annexation No 2—Around San Jose-Los Gatos Road, omitting run to Los Gatos, then along San Jose-Los Gatos Road to

Trustee Election Friday, May 18

Campbell residents will go to the polls next Friday, May 18, to select representatives to the various school boards in the district. No contest exists in any of the local districts.

Candidates for the two posts on the Campbell Union High School board of trustees are Joseph V. Gomes and G. K. Schrader, incumbents.

Walter W. Williams and Lawrence E. Means seek the two openings on Campbell Elementary School board.

Incumbent George D. Robertson is a candidate to succeed himself on the Moreland Elementary School board.

Frank L. Steindorf, incumbent, seeks the Cambrian School post.

Alfred C. Hicks is running for the Union Elementary School trustee office vacated by Kenneth Jessen.

Teachers Assn. Elects Calvin Roll

Calvin Roll was elected president of the Campbell district, California Teachers' Association, at the group's meeting Wednesday night.

Roll will serve during the coming year with other new officers including Duane Beaubein, vice-president; Jeannette Collins, secretary; Ralph Dill, treasurer, and Thelma Wathen, director.

Superintendent William C. Henley gave a report on bills pending before the State Legislature which effect teachers and schools.

Refreshments were served by Marc and Loyce Swengel.

College Dismissal Method Threatens Teaching Standards And Professional Security, Local Educator Asserts

Donald P. Sevrens, 29 N. Second Street, one of 32 San Jose faculty members dismissed by the institution this week because of an enrollment drop, predicted that conditions continue to exist wherein tenure is disrgarded by college officials, the college "can expect to lose its most valuable faculty members within the next year or two."

The Campbell resident, member of the college art department for 11 years, said he and fellow dismissed educators are awaiting a ruling from the Attorney General on whether the seniority basis is to be upheld, before appealing the dismissal through the office of the state's director of education.

Dr. T. W. MacQuarrie, college president, said dismissal action was in accord with a directive from the state board of education to reduce the faculty to 267 members. He said he followed state law to the letter in making the dismissals and that the state education code has no provision for dismissals by seniority.

Sevrens told the Campbell Press that dismissal action, without regard to seniority, was done through a technicality which affords a loop-hole in regard to tenure law.

"The action has much broader implications than appear on the surface," he contended. "State tenure statutes provide for dismissal with cause, and the causes are primarily incompetence, insubordination and immorality." His letter of dismissal he said, stated that his position has been abolished. "Obviously that is not true," he continued. "Every class I have been teaching will continue to be taught, and my job as an advisor will continue."

Blacklisting Seen

Sevrens said his fellow teachers who have been dismissed, and many other faculty members who have been retained and who have contacted him personally, believe that the action implies dismissal on some basis of cause, "and since the cause previously stated are the only ones seriously considered, each instructor will be permanently blacklisted in the field of education.

"Unless the provisions of seniority are upheld under the tenure law, I shall certainly appeal, because I refuse to resign under the circumstances," he asserted.

"While the situation regarding the individual is undoubtedly serious, the larger and more imortant issue is that of tenure," Sevrens emphasized. "I have no quarrel to make, nor have any of the others, over the justification of the cut, but tenure laws were en-

Garden Club Invites Entries For Its Spring Flower Show Wed.

Exhibiting In Annual Floral Event Open To Everyone In Community

Campbell Garden Club has extended an invitation to all residents of the community to exhibit in and attend its annual spring flower show next Wednesday, May 16, from 1 to 9 p.m. in the Campbell Library hall. Mrs. George Kolze and Mrs. Peter Heinzen are the co-chairmen.

Divisions open for exhibits include: annuals, blooms from spring bulbs, perennials, arrangements and potted plants. Details of classes of exhibits are as follows: Section A—annuals, any annual now in bloom, one spike bloom stalk or stem; bloom from spring bulbs, one spike, bloom, stalk or stem.

Section B — Perrenials. 1. Roses—red, pink, yellow, any other color, polyanthus or floribunda, any other kind; 2. Iris—a. bearded —blue, white, yellow, bicolor, plicata, any other color; b. Dutch or English. c. native iris; d. any other kind. 3. Delphinium; 4. Peonies —a. herbaceous, b. tree; 5. any other perennial. (Exhibit one spike, bloom, stalk or stem in perennial section).

Section C.—Arrangements, foliage, flowers and foliage, flowers—one kind; flowers—several kinds or colors; flowers in old fashioned container, succulents, miniature—not over four inches in height. (Accessories may or may not be used).

Section D—Potted Plants, cacti, succulents, flower, foliage, African violets, rare plants, any other kind not listed.

Rules for Entries

Rules covering entries are: the hall will be open at 8:30 a.m. Wednesday and all entries must be in place by 10:30 a.m.; exhibits must be in place for judging at 11 a.m. No one is to be in the hall except judges, clerks and flower show chairmen. No entry is to be removed before 9 p.m. closing time. Specimen cut flowers to be exhibited in containers provided by flower show committee.

When possible, label specimens exhibit with variety name. Trueness to type for the variety is one of the guides for judging. In all specimen exhibits perfection of growth and property maturity rather than size alone is important.

Because of limited work space, flower arrangements should be as nearly ready as possible to put in place when brought to the hall.

First, second and third place awards will be made in each class unless there are fewer than three entries, in which case the class will not be judged.

Awards

A purple rosette will be awarded for the most outstanding entry. Other class awards will be: first prize, blue ribbon; second prize, red ribbon; third prize, white ribbon.

Each exhibitor is limited to one entry in each division.

St. Lucy's Club Mother's Day Tea And Election Held

St. Lucy's Women's Club had its Mother's Day tea Thursday, May 3, at the library clubroom. White and blue blossoms decorated the hall, and the color scheme was employed in the tea table arrangements.

Several members of St. Lucy's Evening Guild were present as guests of the afternoon group.

During the business meeting, Mrs. Ira Grim, chairman, gave the report of the nominating committee. The present staff of officers was re-elected for the coming year and will be installed at the June meeting.

Mrs. Antone Ferro, cancer pad chairman, reported that during the past month she had mailed over 200 finished cancer pads to the Hospital of the "Antones".

Mrs. Ralph Nelson, program chairman of the day, presented a musical program consisting of an original piano solo by Mrs. Ambrose Metcalf and several vocal selections by Mrs. John Kay, accompanied by Mrs. Metcalf.

Mrs. Ray Fish concluded the program with a reading of a group of poems by the noted poet Mrs. Rose Darraugh of San Jose, who has been a guest of the club on former occasions.

JAMES H. OLDS CLAIMS DOROTHY M. CARIS AS HIS BRIDE IN NUPTIALS AT CALVARY CHURCH

Miss Dorothy Mae Caris became Mrs. James Harvey Olds Friday evening in a double ring wedding ceremony performed at 7:30 o'clock in the Calvary Methodist church, San Jose. Dr. James H. Strayer of that church and Dr. Corwin H. Olds, father of the bridegroom and minister of the First Congregational church of Campbell, officiated.

A profusion of white lilies, watsonia and orange blossoms decorated the church. Dr. Raymond N. Olson, M.D., gave the bride in marriage. She wore a street-length dress of flowered blue silk, and white accesesories. On her white Bible she carried a white orchid, a gift of the bridegroom.

Mrs. Calvin Resecker of San Jose was attired in a brown silk print dress and brown accessories for her role as matron of honor. She carried a white orchid on a white prayer book. Handley Murray of Campbell attended the bridegroom. Ushers were college friends of the latter, Harold Fairchild of Campbell and Charles Casey Jr. of Carmel.

Mrs. Corwin H. Olds wore a brown silk print dress and brown accessories. Her corsage was a brown orchid.

Great-Grandmother Present

Although the bride's parents, Mr. and Mrs. Charles W. Caris of Ravenna, Ohio, were unable to attend the nuptials, the family was represented by the great-grandmother of the bride, Mrs. Frances Puckett of Los Gatos. Her dress was of lavendar lace and she wore matching accessories, with white carnation corsage.

Among the large number of friends and relatives present was the bridegroom's sister, Mrs. Delbert Barker of Eugene, Oregon, who was attired in a navy blue suit, and white accessories. She wore purple orchids.

More than 100 persons attended the wedding reception at the church. After a brief honeymoon in the Santa Cruz mountains, the newlyweds have established their home in Santa Clara on Cunningham avenue.

The new Mrs. James Harvey Olds is a native of Ravenna, Ohio, where she received her schooling. During the war she was employed in Washington, D.C., by the Federal Bureau of Investigation. For the past two years she has been secretary to a San Jose physician, Dr. Olson, who gave her in marriage. She is a member of the Filles Amitie business club in San Jose, the Calvary Methodist church choir and of the American Red Cross Motor Corps in San Jose. Her sister lives in Washington.

Mr. Olds attended elementary schools in his native state of Maine, and received his high school diploma in Alexandria, Louisiana. A veteran of two years of service with the U.S. Marine Corps in the Pacific during World War II, he is a junior police science major at San Jose State college, and is employed by the Sunnyvale Department of Public Safety. He is an instructor in first aid for the San Jose Chapter, American Red Cross, a member of the ROTC, Silver Sabers fraternity and the National Guard. His brother, Lt. (j. g.) C. Anson Olds, USN, is a Navy pilot now serving in Japan and Korea.

Patricia Strain To Wed June 10

Patricia Cowan Strain, daughter of Mr. and Mrs. S. K. Strain of Los Altos, will become the bride of Carl Monroe Edmunds, son of Mr. and Mrs. Monroe Edmonds of Campbell, on June 10 at the First Baptist Church of Los Altos.

Mr. Edmonds, who received his diploma from Campbell Union High School, is the brother of Elvin Edmonds. The bride-elect, now in her junior year at Mountain View Union High School, is the sister of Mrs. James Manley, Tony and Steve Strain.

Clara Baldwin Wins Award For Original Poem

Clara Beebe Baldwin, Campbell poetess whose works have appeared in these pages many times in the past, has added a new honor to her collection of many. Mrs. Baldwin has been named one of the five winners in a recent original poetry contest conducted over the radio program, "The Quiet Hour", from Oakland. Over 900 entries were received in the contest. Each of the five winners, including Mrs. Baldwin, received a Bible.

Following is Mrs. Baldwin's winning entry:

The Redwoods

Under the beautiful heavens,
Under the stars' gleaming light,
I walked alone in the woodlands
In the heart and dusk of the night.
The groves were God's first temples;
Came ringing to my ears.
My soul was tuned to rapture
In the music of the spheres.
Each lofty tree, an altar—
On sacred ground I trod.
I held in the solenm forest
Sweet communion with my God.
I lingered in the silence,
'Till the rays of morning light
Pressed back with gentle fingers
The mysteries of the night.
Then I came forth with a blessing
My life seemed a thing apart,
I had been with Him in his Temple
Close to my Saviour's heart.

—Clara Beebe Baldwin.

Legion Auxiliary, was also awarded second place in the Legion District contest area, comprising all of Santa Clara Valley.

Shirley was awarded a certificate of merit at a Legion District meeting last Wednesday and will be presented a $25 bond by Mrs. H. R. Strickland, auxiliary contest chairman, at a school assembly next Wednesday.

The judges, Miss Mary Sablinger, the Rev. Dennis Kennelly and Mrs. A. W. Johnson, were well pleased with the high quality of the essays submitted. "The young people did a great deal of research and wrote very commendable papers," commented Mrs. Dulcie Reynolds, senior English teacher and contest chairman at the high school.

COUNTRY CLUB GATHERS FOR GUEST DAY TEA

Members of the Country Woman's Club of Campbell gathered in their clubhouse May 7 for their annual guest day. The clubroom was beautifully decorated with arrangements of tulips, snapdragons and sweetpeas. Co-chairmen were Mrs. Martin S. Walsh and Mrs. Donald Hartman, who were assisted by Mesdames P. J. Rauch, E. E. Lanphear, Ernest Spurlin, E. F. Ballot, G. E. Farley and James Reilly.

Mrs. Hartman introduced Mrs. Robert McCall, music teacher of the Campbell Elementary School, who presented a musical program by the school children. These included glee club members, piano selections by Evelyn Rozema, vocal solos by Janice Muslow and several vocal selections by a trio composed of Shirley Rice, Judy Bohnett and Janice Muslow.

Mrs. Stewart Ralston of San Jose gave an interesting book review of "My Six Convicts" by Donald Powell Wilson. Miss Patricia Bird, student at Campbel Union High School, performed several piano numbers.

Mrs. Laurance J. Hill, club president, and Mrs. Frank Jacobson, a past president, presided at the tea table.

Mrs. Jesse Shelley announced that the next club meeting will be on May 21, when Mrs. Ricardo Villafuerte, chairman, will introduce Dr. Elmo Arnold Robinson who will speak on "World Philosophies."

It's the only new-type engine in any "new car"!

Chrysler FirePower — Finest engine ever put in an automobile

180 HORSEPOWER

The new Chrysler Hemispherical Combustion Chamber, heart of the finest car engine built today. In this dome-topped area, you see the *only* ideal combustion chamber . . . the *only* way to develop full combustion, full compression, full work and value from every drop of fuel!

With so many engines claiming newness . . . how can we call FirePower the *only* new type engine today? The answer's very simple, and one you ought to know before you invest in a car.

The fact is that engine "improvements" happen every year . . . but a basically *new* motor car engine is a very rare thing. And FirePower is the *most basic* new development since Chrysler introduced high-compression in 1924!

To get to the heart of the matter, just go to the heart of the engine . . . the combustion chamber where the spark fires gas into power.

Here Chrysler brings you something *no* car has had till now . . . a *Hemispherical* combustion chamber . . . the *only perfect and ideal* combustion chamber in any passenger car. Here the same amount of gasoline delivers you *far more energy* than it could in any other car.

What this means to the man at FirePower's wheel is impossible to tell you till you take that wheel yourself. FirePower's 180 horsepower can outperform any other engine on the road, even on regular grade gas.

Remember, too, that Chrysler now offers the wondrous road-ease of new Oriflow shock absorbers with twice the shock-absorbing power of any others . . . and the exclusive safety and delight of Hydraguide *power steering** which takes four-fifths of the work out of steering! You can learn for yourself how Chrysler has changed your motoring life by seeing your Chrysler dealer now!

FOOTHILLS FAMILY LIFE WORKSHOP FOR PARENTS, TEACHERS, OTHERS THIS SATURDAY AT LOS GATOS HIGH

Interested parents, teachers and others are invited to attend the Foothills Family Life Workshop to be conducted this Saturday at Los Gatos Union High School from 9:30 a. m. to 3:45 p. m. Parents are encouraged to attend as couples. Registration, which will be at 9:30 a. m. for late comers, is .50c per person.

Purpose of the workshop is to present a new and practical approach to family understanding. It is sponsored by the Adult Evening School in cooperation with Foothills Family-Youth Counseling Services.

Dr. Clarence M. Angel, family life counselor, will give the opening address at 10 a. m. on "Why We Are Here". This will be followed by a panel discussion on "What is the Community's Responsibility for Family Life." Dr. George G. Bruntz of San Jose State College will be the moderator.

Panel members and the fields they will represent are: Rev. Ed Cunningham, Santa Cruz, religion; Dr. Ruth Tiedeman, San Jose State College, education; Dr. Catherine Stillwell, Palo Alto, counseling; Mrs. Helen Foley, Burlingame, community life; V. M. Robertson, Peninsula YMCA, youth groups; Betty Jean Rugh and Hubert Roberts, Los Gatos Union High Schol, 'teen agers.

Following the panel discussion, there will be an open question period.

LUNCHEON AND CHILD CARE

Luncheon will be served by the school cafeteria staff at .75c per person. Child care will be provided during conference hours at Los Gatos Nursery, for children ages 2 to 5, with bag lunch attention at noon by parents, and there will be supervised activities at the school playfied for boys and girls, ages 6 to 12. Bay lunches are to be provided by parents.

At 1:15 p. m. there will be a display of family life resource materials in the school corridor and little theater, movies, recordings, pamphlets, book lists, in charge of Mrs. Helen Foley, 16th District Parent-Teacher Association, and Mrs. Frances Vaughan, 6th District PTA.

Workshop sessions will begin at 1:45 p. m. with open discussions on "How Can Family Emphasis Be Strengthened?" The discussion groups will include: education, led by Dr. Jean Grambs, Stanford University; churches, Dr. Stephen Peabody, First Congregational Church, San Jose; recreation, Frank Covell, Lincoln High School, San Jose; youth groups, Miss Elizabeth Lee, Hayward High School; counseling, Dr. Nan Allen, County Educational Guidance; pre-school interest, Mrs. Lilian Nerenberg, Nursery School; 'teen agers, Miss Elizabeth Kasey, Health Office, San Jose.

A summary session will be conducted at 3 p. m.

Everyone is invited to participate. Registrations may be phoned to either Saratoga 3785 or ElGato 4-3506, or mail them to Box 971, Los Gatos.

The counseling service has said that "only by close cooperation of home, church, school, medical, welfare, youth and recreation agencies can family life needs of the community be met adequately."

Dr. Corwin Olds To Give Sermon On Mothers' Day

Sunday, May 13, will be observed as Mother's Day at the Congregational Church of Campbell.

Dr. Corwin H. Olds will preach the sermon. Special music, appropriate to the day, will be rendered by the choir. There is a nursery for small children and the Sunday School meets in a separate part of the church at the same time with classes for all ages, while parents attend church. VETERANS POST PLANS DANCE AND POPPY SALE

Lt. Byron C. Lanphear Post 6305, Veterans of Foreign Wars, and the Women's Auxiliary, held their first meetings with the new 1951 officers presiding Friday night. After the business meetings of both groups, a joint session was held in the large library building hall to discuss two important events to be held this month which are of interest to veterans and their friends in Campbell.

First annual dance of the VFW units will take place this Saturday, May 12, in the Alpine Club Hall, Almaden and Canoas Roads. All indications point to a good time for all, with Elwood Hart's orchestra providing the music for the large crowd expected to attend. Proceeds will go to the fast growing building fund of the post.

Next event, is the annual sale of Buddy-Poppies, conducted annually during the last week in May. Prior to institution of Lt. Byron C. Lanphear Post here, VFW posts and auxiliaries from other towns sold the poppies in Campbell, but this year it will be a local effort and the proceeds will remain in the Campbell area for the relief and assistance of needy veterans and their families. No part of this relief fund may be used for other purposes.

A fitting display will appear in one of the local store windows. Virginia Mayo of movie fame has been named Buddy-Poppy girl for this year, and she will soon be seen in nearby theaters giving her plea to "Honor the dead by helping the living."

Never blooms a flower so red as the one you'll wear over your heart on Poppy Day. Made by veterans and distributed by the American Legion Auxiliary, the brave little memorial poppy is your way of expressing the kind of thanks that no mere words can say.

Wear a red crepe paper Poppy in memory of the men who gave—May 25.

CAMPBELL REGISTER

MRS. TOM BURNETT is "on the mend" from an attack of flu which has confined her to her home since Sunday.

MRS. BERTHA M. COOMBS has returned to her home in Oakland after spending three weeks in Campbell at the home of her son and daughter-in-law, MR. AND MRS. FRANK COOMBS.

Their first child, a daughter, was born recently in O'Connor Hospital to MR. AND MRS. HUGH NELSON JR. of 111 S. First Street. JANET LOUISE NELSON is the new arrival's name. She weighed eight pounds, 11 ounces at birth, and was 21 inches long. MR. AND MRS. HUGH NELSON SR. of Dillon Avenue are the baby's paternal grandparents. Those on the maternal side are MR. AND MRS. GORDON GURNEY of Billrica, Massachusetts.

MISS LOUISE HILL flew up from Los Angeles to spend the past weekend with her aunt and cousin, MRS. LUELLA RYAN and JAMES RYAN.

MRS. LAURA PAGE left Wednesday for a month's visit with old friends in Portland and Hood River, Oregon, and with her son and family at Yakima, Washington. Mrs. Page was accompanied by her sister-in-law, Mrs. Ella M. Page of San Jose, who will visit her sisters at Medford, Oregon, before returning to her home.

MRS. CORWIN H. OLDS will leave Campbell Tuesday for Los Angeles where she will board the S. S. Lurline on the followig day and sail for a month's stay in Honolulu. On the following Friday her husband, the REV. CORWIN H. OLDS, will leave by plane for Honolulu, overtaking his wife's ship, and will meet her at the dock in Honolulu. Both will be gone for a month, and they will stay with their daughter-in-law, MRS. CORWIN A. OLDS, whose husband, a lieutenant (j. g.) is with the Navy Air Service in Japan. During the absence of Rev. Olds, the pulpit of the Congregational Church will be occupied by guest ministers.

DR. J. FREDERICK SNYDER will attend the California Medical Association's annual meeting next week at the Biltmore Hotel in Los Angles. Dr. Snyder will go as a delegate of the Santa Clara County Medical Society. Apart from attending the business and scientific meetings of the medical association, the local physician will meet with officers of the Los Angeles County Civil Defense organization to discuss medical defense program in that area. Dr. Snyder is coordinator of Health and Medical Services, Civil Defense, Santa Clara County. His Campbell office will be closed next week.

It is with considerable regret that Campbell bids farewell to MR. AND MRS. ELVER J. BOHNETT, both life-long residents of this community, who are moving from their home at 300 S. Union Avenue. Their new address will be 1834 Marion Court, Modesto, where Mr. Bohnett's office of the Sunset Sterno Food Company has been transferred from its former location in San Francisco.

May 25—Poppy Day. Wear a red paper Poppy—May 25.

Mrs. William Huntting is ni charge of arrangements, and Mrs. Thomas Derby, Mrs. Von Felt and Mrs. Robert Roll are on the hostess committee.

The GRAB BAG

By JIM McIVER

WHAT, NO BRAINS?

Some folks say there's been a serious brain shortage in certain high places for quite a spell now. We won't argue about that, but there's an even bigger shortage coming up right quick. Fact is most "brain specialists" say the new wholesale price of 7c a pound (effective tomorrow) is taking brains right off the market. Seems to us like a real good excuse for not having any!

Of course, all this is kind of ironic. That's because the big brain order came right from O. P. S. Headquarters in Washington, where we understand brains of any kind came in real handy.

ROLLBACK IN REVERSE!

We sure had things figured backwards. All along we thought ceilings were supposed to keep prices from going up. But it seems like that isn't the idea at all!

Just take a look at corned beef brisket. It wasn't too bad at 55c a pound. But now comes the ceiling at $1.04. Even after that 10c rollback next fall, we can't say much for the way it's going to hold down the price.

Maybe you'd like to marvel at some other amazing savings. Porterhouse steak can't go a penny above $1.31 and flank meat is pegged at $1.02. (How's your sense of humor holding out?) Tips of round won't eat into your budget more than $1.16 per pound and hamburger is supposed to be a real bargain at 70c (of course 49c and 59c would buy a pound before the new ceiling.)

Now all you have to do is start believing "b l a c k" is "white" and "up" is really "down." After that you won't feel a bit of pain when you see a ceiling price.

BEEF BOOTLEGGERS NOW OPERATING!

Well, it's here all right! The black market, we mean. You can't see it so well yet, but just wait another two weeks. Folks just won'tt do without meat, especially when they know it can be had. So, if ceiling prices don't raise the cost of hamburger fast enough maybe beef bootleggers can do the job.

Of course, about that time something kind of drastic will probably be in the works . . . we hope.

BIG FREEZE IS ON!

Now that parity prices are frozen, farmers are doing a little freezing on their own! They're freezing the beef supply right where it starts, by keeping cattle off the market.

If things keep on freezing like this, seems like a lot of business may take a notion to freeze up, too. Fact is, just yesterday the market had its smallest offering in r e c e n t times.

PRICE PETITION

Any of you folks who are completely confused, discouraged, disgruntled, and unhappy about the whole price set-up will soon have your chance. We hear rumors that petitions calling for a better deal in prices are soon going to be handy for signing in lots of stores.

Our guess is that the good old public will wake up all of a sudden and get downright prices actually start raising the peeved. When these new ceiling cost of meat, people may figure it doesn't quite make sense.

"NEW LOOK" IN FOOD RATIONING STAMPS

Want to take a look at the latest in Food R a t i o n i n g Stamps? We've got them posted on our locker door down here at Western. It's sort of a preview of what we may be using **some day soon. Anyhow they're** better looking than before—and in better paper, too.

BEEF-LESS WEEK END

If any of you folks plan to have a fancy dinner with steak and potatoes this Sunday, you'd better do that shopping today or tomorrow . . . or have potatoes without steak. **What we mean is that local packers have stopped buying beef. They're waiting to see what happens once the new O.P.S. orders start operating. So, it's no meat except what's in the plants right now.** Of course, if you wait too ong and miss out on Western's neat specials, you can still eat. That's because we'll have plenty of top quality frozen vegetables at 19c a package.

Our congratulations to Mike DeSalle! We figure he's doing the best any man could do on a job that looks pretty hopeless to us.

DIAMOND IN THE ROUGH . . . In this day and age of 100 per cent uncertainty, it would be foolhardy to make any long-range prognostications, be it in politics, economics, social affairs or even athletics.

But leave it to us. After watching one Johnny Oldham pitch for two years we feel safe in forecasting a bright baseball career for the former Campbell high ace . . . that is, barring any military infringement.

The lanky southpaw, one of the most highly-sought prep moundsmen ever to come off a high school hill, just finished pitching the San Jose State college Frosh nine to a successful season. With practically all the major colleges after him plus four or five big-league scouts on his tail, Oldham wisely chose nearby State where he is majoring in Physical Education and acquiring an all-around liberal education.

Unlike many prep chuckers that succumb to a bonus and sign with some team or chain immediately upon graduation, if not sooner, the ex-Buc figures his book-larnin' is more important, and thinks he can learn just as much about the art of pitching from competent college coaches.

SMART INDIVIDUAL

"After talking things over with my parents I decided to enter college and get an education in order to have something to fall back on," the speed-ball artist told us yesterday.

Shy and modest to a tee, the dark-haired, 185-lb. lad admitted that such major league clubs like the Pittsburgh Pirates, Boston Red Sox, Chicago White Sox, and Phildelphia Phillies have approached him with pen in hand and ticket for an affiliated farm team.

The big leagues certainly must have sharp eyes and big ears and a distinct sense of future talent because Oldham copped seven wins as against one loss for Coach Tom Cureton's Frosh nine.

We refrained from mentioning Johnny's mound record at the beginning of this literary gem for the simple reason we didn't know how he fared against Monterey J.C. Wednesday, but we just learned that the Frosh behind Jaunty John tripped the coast school, 5 to 2.

He allowed five hits, fanned 10 batters, and issued eight walks. Three passes and two hits gave the junior college its two runs in the final frame as Oldham coasted on his lead.

STRIKEOUTS GALORE

Unofficially speaking, for these are strictly our statistics, Oldham struck out a total of 110 men in 67 innings this season, while walking some 38 others. Being very stingy, we have his earned run average at a little more than 1.0 per game.

His only loss came at the hands of Hartnell J.C. He went 12 frames only to see two errors boot across a pair of tallies that spelled defeat.

Although the good-looking lad had nothinig much to say about his past and future achievements and hopes, his two coaches had nothing but praise as they painted a picture of optimism and anticipation. Coach Cureton, noted for his ability to develop State athletes into full-fledged Spartan stars believes that Oldham "is one of the finest pitchers I ever coached.

"He has all the attributes to be great if he takes care of himself physically. He has a great temperament, can be easily hndled, and is eager to learn," the SJS mentor commented.

HE'S A SLUGGER TOO

Cureton added that his prize chucker is an exceptional hitter for a pitcher . . . and in the clutches of all times. Come to thank of it, his batting average was the only phase of our conversation that caused Johnny to practically light up with pride. He didn't know off hand his many pitching records, but when asked his batting average he blurted out real quick like, "384 . . . 11 hits in seven games."

Echoing Cureton's sentiments was Coach George Miskulin, Campbell diamond head. "All I can add is that Oldham has a deep determination and works hard on his own whenever possible," Miskulin added.

We then were referred to Johnny's prep mound record that read 21 wins and 10 losses in SCVAL play. In his senior year last season, he threw five one-hit games while winning 11 tilts. Hard luck had him lose one of those one-hitters to his present mates at State, 2-1

His prowess amound had him voted as the outstanding player in the Valley loop. He and two mates were named on the South Squad that met the best of Northern California schools at Municipal stadium last summer.

ONE FOR THE ROAD

All Oldham did was to strike out 11 batters in his four-inning stint. He must have slipped for one batter didn't go down via the K route. Needless to say he was voted the game's outstanding player.

The Buc flash sincerely believes that both his coaches have done much in making the pitcher he is today. "This year, Coach Cureton has been working on my control. In addition to my fast ball and curve, we've been working on my change-of-pace," the amiable youth added.

Unless he is drafted before completnig his college education, or he does a 180-degree about-face in personality and attitude, John Oldham can, should, and will develop into one of college's best hurlers in the next few years. As for what will occur later in professional ball we'll let you be the judge as you watch his college advance.

Campbell Track Team Enters 14 Men In NCS Meet Tonight At Fremont High

Having disposed of powerful Fremont high with comparative ease in a dual meet Tuesday afternoon, Campbell high's track forces now have their sights leveled toward the North Coast Section meet tonight at Fremont's oval.

A contingent of eight varsity and six B members will carry the locals' hope as some 21 schools from three athletic conferences meet to determine who qualifies for the finals held at Berkeley, May 19.

Coach Junior Morgan's squad will be paced by Howard Kaeding who has blossomed forth as one of the best hurdlers in the state. He will participate in the 120-yard highs and the 140-yard lows.

Rod Kolze, defending Valley champ, and Stu Imrie will enter the mile. Buc hopes in the 100-yard sprint and 220 are centered upon Sonny Musladin with Dan Livesay running the 440.

Charlie McBain, defending SCVAL low hurdles champ, will compete in the lows with Kaeding. Jack Bray, double-winner against the Indians this week, goes after 880 honors. Johnny Hoover is coupled with Musladin in the 220.

Morgan said yesterday that his 880-yard relay team will be composed of Musladin, Hoover, McBain and Kaeding.

Tonight's saffair finds team from the Peninsula Athletic League, Coast County Athletic league, and Santa Clara Valley Athletic League vying for team and individual laurels.

Preliminary heats are scheduled for 6 o'clock. Finals in field events will be held at 7:30 and track events start at 8:00 o'clock.

Dennis Dunne will see double duty in the 75-yard dash and broad jump for Morgan's B squad. Marvin Allen goes in the 150-yard race and Roger Ensminger participates in the high jump. Manuel Macias is set to run the 1320-yard race.

The B's 440-relay team is composed of Syl Barton, Ed Foglia, Dunne and Allen.

Softball Leagues Start Play Tuesday Few Openings Left

Openings for teams in the A and B divisions remain as the Campbell Softball League starts play Tuesday evening. Commisoner Junior Morgan said both loops have room for three teams each.

The Junior League has been filled with six clubs ready to start play June 1. The following clubs will formulate the junior loop; Cambrian Market, Campbell High school, Los Gatos Grammar school, Cupertino Youth Center, Burbank Recreation Center, and Campbell Grammar school.

Buc Nine Faces Panthers In Finale

Sporting a seasonal record of seven wins and nine losses at this writing, Campbell high's baseball nine winds up the year Thursday afternoon, meeting Santa Clara high on the Panthers' diamond.

Coach George Miskulin revealed that his club has played .500 ball against prep competition. His Bucs met and lost to two college aggregations, San Jose State Frosh and Santa Clara university yearlings.

Buc Cinder Crew Trounces Indians; Four Records Set

Four school records, two varsity and two B's, were set Tuesday afternoon as Campbell high school's track and field team overwhelmed Fremont high, 75⅔ to 45⅓, on the local oval.

For the second consecutive week, Wayne Rozema bettered the A mark in the hop-step-jump. His effort of 41' 10¼" outdid his jump of last week by two inches.

The Bucs' 880-yard relay team sped to a new school record in a fast time of 1:36.4 as Coach Junior Morgan's crew plowed too much depth and all-around strength in tripping the defending SCVAL team champions. The old relay mark of 1:36.5 was set in 11946. Setting to new time were Sonny Musladin, John Hoover, Charlie McBain, and Howard Kaeding.

Dennis Dunne brought some recognition to the B squad by establishing a new mark in his class' hop-tep-jump event. He leaped 39' 1" to outdo the distance of 38' 11" reached by Bob Hall in 1945 and Dunne himself last week.

Teammate Manuel Macias eclipsed the school's B time in the 880 by turning in a 2:11.8 race. The outgoing mark was set in 1945 by Elmer Sweeney in 2:18.

The Buccaneers had three double winners Tuesday in Jack Bray, Kaeding, and Rozema.

Bray copped the high jump and 880 and placed second in the hop-step-jump. Kaeding, as usual, remained undefeated in taking both barrier events. Rozema captured the broad jump plus his record-making hop-step-jump win.

Campbell B team didn't fare so well as they fell, 63 one-sixth to 47 five-sixths to thei rFremont counterparts. Marvin Allen, Buc sprinter, outran his varsity mates by posting a speedy 10.3 in the century.

Jack Youngren

Jack P. Youngren, son of Mrs. Grace Youngren, of 34 North First street, Campbell, has been accepted for enlistment in the Regular Navy through the San Jose Recruiting Station. He is a graduate of San Jose Technical High school and just prior to his enlistment was employed as an electrician. He enlisted for four years and was sent to San Diego for training.

Net Squad Enters SCVAL Tourney; Drop Match To L.G.

Suffering their first league loss in two years, Campbell high's netmen will seek retribution this afternoon as the SCVAL Individual Tennis tourney holds forth on Los Gatos high's courts.

It was on these same courts that the Bucs dropped a 5-0 match to the Wildcats Tuesday afternoon. Going into the match both schools sported unbeate nloop records. The loss all but eliminated any chance the Bucs had of taking the title two seasons straight. One slim ray of hope remains in form of an upset. The 'Cats have yet to meet Fremont this year. Earlier this season, Campbell whitewashed the Indians, 5-0.

In the feature singles match, the locals' Tom Barton fell to Jud Ostle, 6-3, 7-5. Teammate Dave Baxter was then tripped, 6-3, 6-4.

Coach Harold Drummond announced yesterday that his charges will play host to the San Jose State college frosh Wednesday afternoon. Six singles and three doubles matches will be played. First match is scheduled to start at 2 o'clock.

In this afternoon's tournament Barton will play in the singles tourney with Baxter and Jim Hearon playing in the doubles.

According to Drummond, each school may enter only one singles player and one doubles team. The local trio was determined last week through an intra-squad battle.

The ultimate Valley singles champ and winning doubles team will participate in the finals of the NCS tournament at Berkeley, May 12.

A REPORT THAT COLONEL KOCH, FORMER NAZI INTELLIGENCE ACE WHO DISAPPEARED BEHIND THE IRON CURTAIN DURING THE WAR IS NOW EN-ROUTE TO THE U.S., HAS STIRRED THE STATE DEPARTMENT.
IT'S AMAZING HOW, THOUGH THE ELUSIVE COLONEL KOCH'S EXPLOITS ADDED A FEW CHAPTERS TO MILITARY HISTORY, WE'VE NEVER FOUND OUT HIS IDENTITY!
WE'LL FIND HIM, ROGER, IF WE HAVE TO LINE UP EVERY PERSON ON THAT SHIP!
COLONEL KOCH IS TOO CLEVER FOR POLICE TACTICS, THURSTON - THIS FOX MUST BE SCARED INTO THE OPEN!
WE HAVE THE GROUP PICTURE OF THE NAZI'S, ROGER. WE KNOW COLONEL KOCH IS IN IT AND ON THIS BOAT. BUT..HOW WILL WE MAKE HIM STAND UP AND BE RECOGNIZED?
BY USE OF HIS OWN WEAPON - FEAR! THURSTON, GET THE MEDICAL EXAMINER AND THE NECESSARY PAPERS - WE'LL HOLD UP THE SHIP ON SUSPICION OF CHOLERA!
HE'LL SHOW ALLRIGHT - AND AS THE "EXAMINING NURSE" IT'S UP TO YOU TO SPOT HIM, CYNTHIA!
BUT 800 POTENTIAL KOCHS! I HOPE MY PHOTOGRAPHIC MEMORY HOLDS OUT!
BUT SIR, OUR SHIP'S DOCTOR DIDN'T REPORT ANY CHOLERA!
I'M SORRY, CAPTAIN, BUT THE SHIP IS QUARANTINED UNTIL ALL PERSONNEL AND PASSENGERS ARE EXAMINED. WE'LL START WITH THE ENGINE-ROOM HUSKIES...
YOU'RE OKAY - SIGN HERE. WILL THE LAST MAN STEP FORWARD, PLEASE?
LATER...
WE'RE LICKED, ROGER! EITHER THAT KREMLIN STOOGE SWAM THE FIVE MILES TO SHORE OR OUR AGENT WAS DUPED!
OUR BOYS RARELY MAKE MISTAKES, THURSTON!
HMM... AND PRETTY GIRLS DRESSED THAT GORGEOUSLY ARE RARELY THE ANONYMOUS TYPE - I WONDER WHO SHE IS?
BACK AT THE STATE DEPARTMENT...
I CHECKED WITH OUR MAN IN EUROPE, THURSTON. HE'S POSITIVE THAT THIS FORMER NAZI INTELLIGENCE ACE WAS ON THAT SHIP!
BUT NOT ONE PASSENGER RESEMBLED ANYONE IN THE PHOTOGRAPH ROGER!

New President Pays Visit To Orchard City

Twenty-nine members of Santa Cruz Live Oak Grange paid a surprise visit to Orchard City Grange Tuesday evening to honor their friend, George Shattuck, master of the local grange. Among the visitors were five past masters of the coastside grange.

Live Oak Grangers provided ample additions to the Orchard City unit's refreshment table. Dignitaries honored were Mrs. Veryl Thornton, master of Live Oak Grange, and Mrs. Anne Pollitt, lecturer of Watsonville Madonna Grange and home economics chairman of Santa Cruz County Pomona Grange.

Campbell Grangers passed a resolution asking the State Grange to provide time and adequate space, a room 30x40 feet, for the state League of Credit Unions sponsored by the Grange.

Report on two bills pending in the state legislature on the livestock expositions held in the San Francisco Cow Palace was received. The measures provide that $65,000 is to be allotted from race track income to back the livestock shows which may be discontinued if the bils are not passed.

During the lecturer's program led by A. J. Emery, community singing was conducted by J. C. Gordon. Mrs. Nellie Skillman gave two readings. She recently received a national award for a poem she wrote for the National Grange Monthly.

Members learned that Mrs. Clara Baldwin has received a prize of a Bible from the Quiet radio program as an award for an original poem which she contributed.

Seven applications were received for membership and turned over to the committee in charge. The charter was dropped for the late James Brandt, husband of Angelica Brandt.

Refreshments were served by Flora Raab, Katherine Shadle, Harriet Miller, Margaret Gammell and Anne Kenyon.

COMING EVENTS

Under coming events, the following were reported: Santa Cruz County Pomona Grange meeting at Live Oak Friday, May 11, with potluck dinner at 7 p. m.; Santa Clara County Pomona meeting at Coyote May 28, with State Flora attending; Home Economics Club meeting of Orchard City Grange May 18 at the home of Mrs. Lucille Hoerler, and May 11 card party in Costa Hall, San Jose.

Orchard City Grange will sponsor a turkey dinner May 29 from 6:30 to 8 p. m. in the Campbell 1OOF Hall. Tickets are $1.50.

Initiation in first and second degrees wil be conducted at Almaden Grange May 16.

At the next Orchard City Grange meeting there will be a Maypole party followed by folk dancing. Those attending are asked to dress as children.

GUEST MINISTERS AT CAMPBELL

A number of guest ministers will conduct the services at the Congregational Church of Campbell beginning May 20. Dr. Olds,minister of the church, will leave on May 18 for a month's vacation with Mrs. Olds, in the Hawiian Islands, after which he will attend camps of the California Cadet Corps and the California National Guard.

Guest mniisters are as follows: May 20, Rev. Edwin Bowling of Campbell, former Minister of the Methodist Church of Campbell; May 27, Dr. Hugh Vernon White, Dean of the Pacific School of Religion and former Executive-Secretary of the American Board of Commissioners for Foreign Missions.

June 3, Rabbi Isor Freund, former Rabbi of Temple Emanu-El in San Jose; June 10, Dr. Benjamin Gould of Los Altos, former minister of the San Jose Congregational Church.

High School Students Who Won Poster Contest On Freedom Flight To Be Guests Of Moffett Field NAS

Three Campbell Union High School students have been named winners from this area in the U.S. Air Force poster contest on the subject of the "Ddefenders of Freedom Flight". First, second and third place winners are Louyeta Epperson, Madelyn Dubicich and Bill Anderson, respectively.

San Jose Recruiting Station has been authorized to enlist 75 men in the U.S. Air Force. This group will be designated as the Santa Clara County Defenders of Freedom Flight The men will be fully examined and processed for enlistment in San Jose and will be sworn in on the evening of May 18 at a public ceremony to be held in the Civic Auditorium.

The recruiting service has chartered a United Airlines DC-6 which will pick the men up at 10 a.m. on May 19, Armed Forces Day. The plane will land at Moffett Field Naval Air Station and fly the group from there directly to Lackland Air Force Base at San Antonio, Texas.

Winners' Award

Campbell High School poster contest winners, together with winners from 15 other schools in the area, will be guests at Moffett Field on May 18.

Cars will pick up the winners at their schools and take them to the station theater at Moffett Field where they will be welcomed by the executive officer of the station, Commander Upham. The school group will be shown movies on life at the U.S. Naval Academy and in the National Advisory Committee for Aeronautics.

Later, the group will be split into teams to tour Moffett Field facilities, including the tower, crash crew, flight desk, aerological display boxes, parachute loft and Link trainer.

Lunch will be served in the mess hall, after which the group will tour the VC-3, witness plane take-offs, a high speed pass by a jet plane, G-CA landing (instrument landing where pilot is talked onto field), and fire fighting drill.

Students will be returned to their schools after the tour.

Lee Dugan, commercial art instructor, is the Campbell High School group's teacher. The first place winner will receive, in addition to the tour, a model plane.

Armed Forces Day

Purpose of the Santa Clara County Defenders of Freedom Flight is to give Santa Clara County national recognition on Armed Forces Day and, in addition, to enlist as many men as possible during the month of May in an attempt to ease the anticipated rush in June when a great number of men will be finishing their school year.

All young men contemplating enlistment are urged by the recruiting office to take advantage of this opportunity to join the Air Force and receive their training with fellow Santa Clara County men. The group will be recognized by Lackland authorities as a Santa Clara County group and will be assigned to the same flight for basic training. The program will have full news coverage, including newsreel, from the swearing-in ceremonies through their basic training period.

Men between the ages of 17 and 35, without prior service and not more than two dependents, who are otherwise qualified mentally and physically, may apply for this opportunity.

Information may be obtained at the U.S. Army and USAF recruiting office, Room 203 Post Office Building, San Jose.

President Truman has proclaimed Saturday, May 19, as Armed Forces Day.

Auxiliary Ready For Its Annual Poppy Day May 25

Thirty millio nhand-made poppies is the big order from the American Legion Auxiliary now being rushed to completion by disabled war veterans in hospitals and convalescent workshops over the country, according to Mrs. Rex K. Fuller, Poppy Chairman of the local auxiliary unit.

More than 10,000 disabled veterans of both World Wars have been given profitable employment during the winter and spring months shaping the little red memorial flowers which will be worn in memory of their fallen comrades on Poppy Day, May 25. The work not only has enabled them to earn much-needed money but has been valuable to them as occupational therapy, Mrs. Fuller said.

The veterans make the flowers of crepe paper with wire stems, and they produce accurate replicas of the wild poppies which grew in such profusion on the battlefields and cemeteries in western Europe" the Poppy chairman explained. ""The materials are supplied by the auxiliary, and the veterans are paid by the auxiliary for each poppy made. The work provides interesting occupation during the long hours of hospitalization and convalescence, besides giving the disabled men the encouraging experience of earning money once again.

"In the hospitals, the veterans make poppies in their beds, wheel chairs, or in the hospital hobby shops. Convalescent workrooms are maintained by the auxiliary in some states, to give disabled veterans outside the hospital an opportunity to make poppies.

"In addition to providing employment for men unable to do other work, the poppy program is the main source of financial support for the vast rehabilitation and child welfare work carried out by the auxiliary. Most of the money which people contribute on Poppy Day remains in the communities where it is raised, and is used to aid local veterans and their families."

VFW Auxiliary Essay Contest Winner Listed

For the essay contest on the subject "Freedom's Open Door" sponsored by the Women's Auxiliary, Veterans of Foreign Wars, Lt. Byron Lanphear Post 6305, approximately 100 essays were written by Campbell Union High School students.

Sherrill Chamberlain

First place was given to Sherrill Chamberlain who will be awarded $15. Second and third places were awarded to Adele Kitajima and Rod Kolze who will be awarded $10 and $5, respectively. Judges were Carl B. Field, Mrs. Dorothy Royce, and the Rev. Denis Kennelly. Mrs. Dulcie Reynolds, senior English teacher, was in charge of the contest at Campbell High School.

Members of the local Post and Auxiliary expressed amazement at "the evidence of careful study and intelligent thinking" on the part of the students who wrote essays for this contest. "It would be well," said Mrs. Charles Chubb, president of the auxiliary, "if such commendable activity were widely publicized. I think such work as this is more typical of young people than the delinquency we read about so much."

The awards will be presented at an assembly next Wednesday, May 16.

Legion Anniversary Dinner May 23

Campbell American Legion Post 596 will have its annual birthday dinner May 23. Special speakers have been scheduled for the potluck event.

Sons of the Legion are especially invited. The anniversary event will be held in conjunction with the regular father-son night.

Art Exhibit, Musicale, Tea In Villa Montalvo Open House Program For This Sunday

An open house to be held at Villa Montalvo in Saratoga, Sunday, May 13, will feature an exhibit of the brilliant water colors of Daniel Marcus Mendelowitz and a three part musicale devoted to the works of Johannes Brahms.

The public is cordially invited to attend the art exhibit-musical-tea which is under the sponsorship of the Friends of Montalvo. No admission will be charged

Daniel M. Mendelowitz, whose water colors will be on display, is Professor of Art and Education at Stanford University. His brilliant work has won the praise of critics at home and abroad. Many of the water colors to be exhibited were painted by Mr. Mendelowitz last year in Paris and the Riviera while the artist was on leave of absence from Stanford University. In the course of the last decade Mendelowitz has had a dozen or more one man shows of his paintings in leading art galleries of the West.

The Brahms program will begin at 3 p. m., with Elizabeth Kincade, violinist; Lucelia Saier, violist, and Patricia Hammond, pianist, playing the famous Trio in E Flat for Violin, Viola and Piano.

Soprano Winifred Estabrook Elliott, accompanied by Olga Scheuermann will do four songs by Brahms; Meine Liebe ist gruen, Wie Melodiean es mir, Sappische Ode, and Wie bist du, meine Konigin.

The concluding selection of the program will be the Brahms Piano Quartet in C Minor performed by the El Camino String Quartet.

PERSONNEL

Olga Scheuermann, accompanist; Graduated from Mills College in Music; studied composition with Domenico Brescia and piano with Alexander Raab.

Supervisor Stands On Record In Tilson Case

Fifth District Supervisors Earl C. Campbell cited the record to counter charges of 316 petitioners in El Quito Park and Monte Linda subdivisions who demanded his resignation for having opposed application of Lionel J. Tilson for commercial zoning in El Quito Park.

Petitioners charged Campbell favored E. H. Renzel Jr., wholesale grocer who is developing a commercial area nearby, and opposed interests of subdivision residents. "Mr. Campbell has spent all his efforts to giving Mr. Renzel all the protection and influence he could exert in seeing that Mr. Renzel would have a monopoly in the El Quito District and completely ignored the petition of approximately 450 land owners in his district," the petitions read.

Campbell replied that he represents 100,000 persons, not just a few hundred. He pointed out that Tilson's commercial zone request for the Saratoga Avenue-Quito Road gore was twice denied by the County Planning Commission after he (Campbell) had originally recommended its acceptance with only architectural control by the board. In the last instance, denial was based on report of the health department that the property has insufficient drainage area for proposed septic tank system. The supervisor added that he would not change his mind about the property until the sanitation problem has been solved .

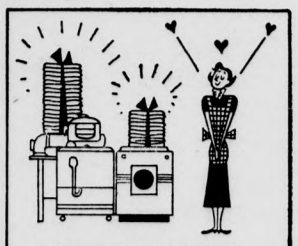
Dealer helped us lay our plan.
Had our washer, got a dryer,
Now we'll add things as we can.



Someday I will have an ironer!
Thrifty thought . . . for we have found
As our household use increases,
Rates already low . . . GO DOWN!

You folks here in Northern and Central California will be glad to know that a home laundry, complete with washer, dryer and ironer, not only saves hours of hard work but in the average home, costs less than 85¢ a month to operate. Your dealer will be glad to show you how easy it is to have these appliances in your home. See him today if possible.

SCHOOL NOTES

CAMPBELL

Pat, The Turtle

Pat is Bruce's pet. She is a desert turtle. Mrs. Brown, Bruce's mother brought her to school. Pat is too big for Bruce to take on he school bus. She weighs 11 lbs. She is about 130 years old.

Pat's shell is hard and strong. Her shell is her house. She carries it with her all the time. She hibernates in the winter. She has been out of hibernation about a month.

The turtle likes to eat lettuce. She also likes rose petals. Sometimes she eats grass. Pat is a vegetarian. She takes a drink about once a month.

She tried to walk on the floor, but it was so slick she slipped. We put her on the gras. We had to stand back so she would not be afraid. Then she started walking. We like dto see her walk because she went so slowly.

The children from Mrs. Ingram's room said the turtle did not have to pay a light bill or get undressed to go to bed. That made us laugh. We are all glad Pat came to school.

Susan Sike's 3rd grade.

Veterans' Bonus Bill, 'Hot Cargo', Other Measures Given Review By Assemblyman Gubser Of 29th District

By Charles S. Gubser, Assemblyman—29th District

We have finally received a slight "breathing spell" during this, the most hectic of all sessions of the California Legislature. The relief is purely temporary since we have now disposed of the great bulk of non-controversial bills and are preparing to consider the truly important issues. It is generally agreed that this legislature has accomplished more work at the half-way mark than any group in the past.

One reason that the controversial measures have been held up is that most of them involve appropriations. Since an appropriation bill cannot be considered until after the budget has been passed and since the Senate has not yet acted upon the measure, we have not had these appropriation bills before us.

The bill currently creating considerable interest is one which would grant a bonus to all California Veterans of World War II to be paid for by a tax on cigarettes.

We have been receiving a great deal of mail from individuals favoring the bonus but official representatives of the American Legion and Veterans of Foreign Wars here at the Capitol are against the bill. These representatives feel that California has other programs for benefitting the veteran which might be endangered should the bonus pass, and point to a recent survey made by the U. S. Veterans' Administration which shows California leading the states of the Union, in amount of veterans' benefits.

It has been the practice in other states to consider that the obligation of that government to its veterans was concluded with the payment of a bonus. If this were to be the case in California, the representatives of veterans' organizations argue that the great bulk of the veterans would be hurt rather than helped. They also argue that the cigarette tax would be borne by those least able to pay.

Opinions Wanted

Those of us here in Sacramento who are faced with the problem of voting on the bonus bill would appreciate hearing from more individuals regarding their wishes in the matter and also from our local posts of the American Legion and Veterans of Foreign Wars giving us notice of whether they wish us to follow the recommendations of their state-wide organizations or to follow those of individuals.

It appears at this point that the "Hot Cargo" bills are about dead for this session. This is a great source of disappointment to many of the agricultural interests. Many representatives from dairy counties make the statement that unless the practice of declaring the milk of non-union dairies as "hot cargo" is declared illegal, dairymen will be going out of business by the hundreds.

It seems that particularly in the San Joaquin Valley where milkers and other dairy employees have refused to join unions that the Teamsters' Union has refused to haul the milk and the dairyman has been forced to find a "bootleg" market for his milk. This is the practice which would have been stopped by the Hot Cargo bill. Labor representatives, arguing that the bill would have crippled the unions by removing one of their most potent weapons, have won what is probably the most outstanding victory of this session as the Assembly bill on Hot Cargo was referred to an unfriendly committee and the Senate bill was placed on the Inactive File.

This morning the Assembly refused to consider the vote whereby Senate Constitutional Amendment No. 3 was refused passage, This would have required that wherever a constitutional amendment appeared on the ballot, the legislative auditor should place an estimate of the cost of such measure in the explanation which is mailed to each voter. This was voted down because many felt that the auditor, by giving a high estimate of cost, could practically defeat any constitutional amendment. Proponents of the measure felt that the voters had a right to know how much something would cost before voting upon it.

Food Tax

A measure which would have placed a sales tax on food to go into effect only if the McLain initiative liberalizing old age pensions is passed at the next election, also met defeat in the Assembly Committee on Revenue and Taxation. Representatives of Mr. McLain's organization appeared against the bill arguing that if the voters were faced with a sales tax on food they would reject the initiative proposal. Proponents argued that should the pension program be liberalized that a special tax will be necessary and that food is about all there is left to tax.

A new social welfare program which would grant a $75 per month payment to the totally and permanently disabled is accorded an excellent chance for passage at this session.

It was interesting to watch the opposition of seasoned opponents to new welfare programs melt at the committee hearing in the presence of a roomful of these totally disabled people.

Particularly impressive was the argument of one little lady who spoke from her wheelchair, and argued that old people receiving old age assistance have had their entire lifetimes to prepare for something they knew was coming, namely old age. The totally disabled person, she alleged, has had no such control over his unfortunate situation.

Governor Warren is supporting this new program which would cost the state approximately $14,000,000 annually.

The proposed Motor Vehicle Registration offices for Los Gatos and Gilroy have cleared another hurdle as the Senate Sub-Committee on Finance has recommended adoption of my amendment creating them. Remaining hurdles are approval of the main Senate Finance Committee, Senate proper, and signature by the Governor.

In closing, I would like to invite comments from any of my constituents who have any feelings for or against any particular measure. I shall try to write these "behind the scenes" reports of legislation here at Sacramento whenever our busy schedule allows me the necessary time.

ALFRED FRANKENSTEIN TO LECTURE FOR SAN JOSE OPERA GUILD HERE

Alfred Frankensteni, distinguished music and art critic of the San Francisco Chronicle, will be presented by San Jose Opera Guild Thursday afternoon, May 17, at 2 o'clock in Saratoga Foothill Club.

The veteran lecturer, musicologist and critic will discuess the forthcoming San Francisco opera season and will play recorded selections from some of the operas scheduled for performance this fall.

A native of Chicago, Frankenstein attended the university there and received his Ph. D degree from Yale University in 1930. He began his newspaper career as assistant to Herman Devries, well-known music editor of the Chicago American, and joined the staff of the San Francisco Chronicle in 1934.

Currently he teaches in the art department of the University of California and has been engaged to join the music faculty of Harvard University during the 1951 summer session.

In 1947 Frankenstein was awarded a Guggenheim fellowship for research on William Harnett, American still-life painter, and unearthed one of the most interesting and widely discussed "frauds" in the annals of American art. He was also responsible for discovering the famed Hartmann pictures on which the well-known musical composition, "Pictures at an Exhibition" by Moussorgsky, is based.

Because of the importance of this lecture, Opera Guild members in Saratoga will be privileged to bring two guests. The event will be open to guild members and their guests free of charge.

Oldest Mother To Be Honored At Local Theater

Campbell Theater will honor this community's mothers at a special program to be presented from the stage of the show house on Mother's Day, May 13. The oldest mother present will be introduced.

Campbell Theater is now accepting registrations of mothers for the event. Residents are invited to phone the theater, Campbell 3310, and leave the name and address of any mother believed qualified for the award.

A number of local merchants are cooperating with the theater in this project, and have arranged to contribute gifts to the "Campbell Mother of 1951." A taxi will be provided to transport the special guest to the theater on Mother's Day and return her to her home.

JOAQUIN PAYNE, FELLOW OFFICERS TO BE INSTALLED WEDNESDAY NIGHT

Newly elected officers of the Campbell Chamber of Commerce will be installed during the annual chamber dinner to be held next Wednesday, May 16, at the cafeteria of Campbell Union High School, beginning at 7 p.m.

Ballots were counted Monday evening at the regular meeting of the board of directors, by Tom Burnett, G. E. Jeffers and Forrest Reese. Election results are: Joaquin J. Payne, president; Mario Saia, vice-president; Arthur Mayo, treasurer; Harold Estensen and Lester Harmon, directors.

Special guests at the dinner next Wednesday evening will be Russell Pettit, of the San Jose Chamber of Commerce; Robert Tremaine, Santa Clara Chamber of Commerce Joseph M. McKinnon, county supervisor for the fourth district; Charles Elsner, president of the Campbell Junior Chamber of Commerce, and the wives of the above men.

Forrest Reese, secretary manager of the local organization, will give a summary of the year's activities. Program chairman Laurance J. Hill will provide the musical entertainment.

All members of the chamber and their wives or husbands are invited to attend the gathering. Tickets, at $2 per person, may be purchased from Reese, phone Campell 3442 or 3303. Dress will be informal.

Outgoing president Eugene W. Barnes will preside.

GUEST MINISTER TO COME

STUDENTS WIN FESTIVAL HONOR AT BERKELEY

Student musicians from Campbell Gramar School were awarded eight superior ratings in the Music Festival for northern California schools held last Saturday at Berkeley.

The grammar school entered 23 ensembles and soloists. Eight were judged superior; eight excellent and eight, good. Rated superior were the orchestra, boys' glee club brass choir from the orchestra, and clarinet trio from the orchestra. Soloists given highest rating were Jimmy Keech, tuba; Lynne Schaper, flute; Laura Gordon, violin, and Evelyn Rozema, piano.

Excellent ratings were given to a clarinet trio and a brass sextet from the band. Soloists rated excellent were Janice Mulsow, vocal; Dwight Klassen, trombone; Judy Keech, oboe; Marion Gould, string bass; Sandra Bjerke, piano; Carol Phillips, violin.

More About Visiting Newsman

(Continued from Page 1)

America broadcasts have been doing an excellent job in Germany. "The most anti-communist people in Germany are those in Berlin and under communist control in Germany," he asserted. He predicted that communism would never be accepted by the German people, but added that he believes there is no real underground or resistance in eastern Germany. "The people have been absolutely cowed. In five or six years the communists could cow any people."

Nazi Revival

As far as reports of a Nazi-type revival in Germany are concerned, they are probably true, he stated, "The Germans tend to be nationalistic and all Germans have an inferiority complex. You don't ask a German to do something for you, he couldn't do it. You have to order him, and a shout helps.

"Western zone peoples haven't met the communists and, as a result, are not as pro-western allies as are the Berlin people who are surrounded by communists and are under eternal threat. They were even occupied by the communists in 1945."

When asked if he thought the Nazis would cooperate with the communists in order to regain control, Minehart replied that the "Nazis would cooperate with anyone to get back in power."

The newsman said he believes General Eisenhower has the right approach in stating that men should be allowed to join the western allies European army of their own volition, and not be forced into service. He added that the armed force could be vastly increased by taking in deserters drifting over from east Germany.

With Minehart during his Campbell visit are Mr. and Mrs. Glenn Pratt, here on vacation from Germany where Pratt is with the AFN in Frankfurt.

Fruitdale Avenue, along Friutdale to Bascom Avenue, a short distance down both Saratoga Avenue and Santa Clara-Los Gatos Road, and including Bayshore Highway and Lawrence Road.

Westside Annexation No 3—Santa Clara-Alviso Road north to Alviso City Limits, west on Mountain View-Alviso Road to Lawrence Road, back to Bayshore Highway.

Westside Annexation No. 4—Santa Clara-Alviso Road to Montague Road, back to Bayshore Highway and including property bounded by Byshore, Brokaw and Kiver Roads.

Westside Annexation No 5—Kifer Road between Southern Pacific right-of-way and city of San Jose, and including westside square out Bayshore to Lawrence Road.

Action of the Santa Clara trustees has added new heat to the long standing two-city wrang which has had little consideration for wishes of the rest of the county residents.

QUESTION STATEMENT

Campbell residents raised an inquiring eyebrow Thursday upon learning of a daily San Jose paper report that "the communities of Los Gatos and Campbell advised San Jose councilmen they will ally themselves with San Jose" in any move aimed at defeating the Santa Clara trustees' action. Residents point out that Campbell is unincorporated and therefore has no community spokesman.

Eugene W. Barnes, president of the Campbell Chamber of Commerce, the community's unofficial civic body, indicated that no such statement had been considered or approved by the chamber or its board of directors, and added that as far as he is concerned, such an alliance would be inadvisable since San Jose, too, has been dreaming of expansion in this direction.

Basis for the published statement that Campbell would cooperate with San Jose evidently grew out of a conference Wednesday in which Attorney Richard W. Morton of Campbell conferred with San Jose Mayor Clark L. Bradley and City Attorney Robert E. Cassin. In a statement to the Campbell Press yesterday, Morton said he had told the San Joseans that Campbell's unincorporated status "must necessarily weaken its position in the annexation controversy." Bradley and Cassin agreed, Morton said, that Campbell could be no really strong force in opposing Santa Clara, but urged that Campbell join forces with them anyway.

Morton said he spoke to the San Jose officials as a private citizen of Campbell and as a representative of a group of friends. He did not attempt to speak for Campbell, itself. "This is precisely the sort of situation in which while we have the blessings of unincorporation, we also have the curse of unincorporation," Morton commented.

More About College Dismissal

acted to provide a high degree of professional security, thereby assuring highly qualified instruction in our schools and colleges, as well as protecting the traditional American rights of freedom of speech and freedom of instruction."

Sevrens said he had been able to learn the names of only a dozen of the 32 persons dismissed because the college has refused to release the list.

The educator said the director of education had informed Dr. MacQuarrie that when the reason for dismissal is one dependent on the financial situation, he has a right to dismiss in any capacity he may choose.

Serious Implications

"This has serious implications for the teaching profession as a whole," Sevrens declared. "It means that those who have been retained, regardless of seniority or tenure status, are considered the more valuable teachers. The opinion on which this decision is reached is vitally important. In my case, (and I believe it was true of all the others dismissed at San Jose State College) in my 11 years of teaching there has never been an administrative officer in my classroom for as long as five minutes. There has never been a supervisor or critic in my classroom in that length of time. A survey has never been made of which I am aware, nor a quesionnaire to the students or faculty that could in any way evaluate the teacher or his instruction in any way whatsoever.

"In 1943, when I was a member of the junior college faculty, and faculty members had to be dismissed, the dismissals were made on an inverse order of seniority, I had no objection, although I was dismissed. This is the accepted procedure for dismissals."

Mr. Sevrens, dismissed from the junior college faculty in the summer of 1943, joined the college faculty in the fall of that same year.

The educator said that in the present instance, the choice of whom to dismiss was left up to the various department heads, in his case, Dr. Marquis E. Reitzel.

Sevrens, whose dismissal notice is effective on June 30, expressed hope that the AFL Central Labor Council of Santa Clara County which has protested the dismissal action, will be able to force some reconsideration of the college move.

WE THANK YOU . . .

For the fine reception given us during our grand opening last weekend. The good people of Campbell received us wholeheartedly and we are pleased to say have made our task of serving the community much easier. It is gratifying to know that we have been welcomed into the midst of such a fine community. The people have been very friendly and cooperative. The spirit manifested during our first few days in business in Campbell has confirmed our original decision in the choice of a community in which to do business.
